Who's boyfriend? .. It can't be me so. you dating a guy?
Cut the crap!
Why don't you cut the crap? Don't pretend like you know me!

Hey! Let go of me you pervert! You wanna die? Huh?!
I'm trying to show you that I'm not pretending or messing around with you. So just follow me.
And.

My name is Lee-hyun Choi. Don't forget it. My name. If you forget it...I'm going to kill you.

.. where are we?!
Don't you remember anything?
Let's see This is the school I went to for a short time before
anyways it's been 2 years and yet nothing's changed
It can't be that he knows I'm returning to this school?

Though I went through hell while I was here
Still they're part of my memories This feels bizarre
Ah -

When I came to school this was the first place that I'd come to
My own special resting place... nobody could bother me here

What_what
are you doing?

Don't you remember anything about this place?
This dude... what does he want from me?
I can't even really remember yesterday
.....
Oh! I remember!
You, your my junior~ way way my junior!
You remember?

Of course! That day you stole my kiss, you were wearing this school's uniform~
I really want to forget that horrible memory so stop trying to do something like that!
You know.. I totally forgot about that...
What are you talking about?

I don't care if you remember or not I don't even know you in the first place.
Also, even if I'm not in school right now, I'm your upperclassmen You better be respectful to your senior. If you act like a pervert again, I'm going to call the cops!
I'm gonna let you go this once. Give me back my cigarettes
...your junior..?

Lee-hyun Choi is your boyfriend. How many times do I have to say it?
You, are you a psycho patient?

Crazy?..ha Let's see..I must be crazy.
I must've gone crazy after I spent years doing crazy things

I need to get away from guys like him It's a waste but I'll quit smoking
If you're gonna go crazy, do it smoothly And, stop wandering around this area
I'll take you home.
Didn't you hear what I said?
Did You hear what I said?

I don't know... was there something important in anything you said?
Part...!
I remember part...parts and sections of it~
Part and sections of it?
Is that so? Do you want me to make you remember?
Fine! All of it!

Now let's go our separate ways. Ok?
I said I'll take you home!
I don't want you to!
I don't know who you are! I don't know if you know who I am or not!
Does forcing things that didn't happen make them into something that did?
If you keep forcing it, does it mean you're really my boyfriend?!

Go home by yourself
What?
Okay
Didn't you say you want ta go by yourself? Or do you secretly want me to take you home?
N .Never!
I'm just surprised you changed your mind all of a sudden. You were threatening to take me home earlier
Its fine since you said you remember it all

I said what?
You acknowledged it. That I'm your boyfriend
WE APOLOGIZE FOR THE INCONVENIENCE OF THIS PAGE :C
-LUNAR AGEHA

You said if I keep forcing it... I would really become your boyfriend. So I did
This~ crazy bastard!
If you're keep staying here, I'm going to take it that you want me to take you home holding hands...
Right. They say there's no cure for psychos. It's better to avoid them...

Okay. I'm leaving
I hope to never see you again!
Wait!
Did he change his mind already? He's really indecisive~
Call out your cellphone number.
What~ cellphone?
Don't tell me that you don't have a cellphone.
I'm not lying. I don't have that kind of thing.
Is he going to try and do something to me again?

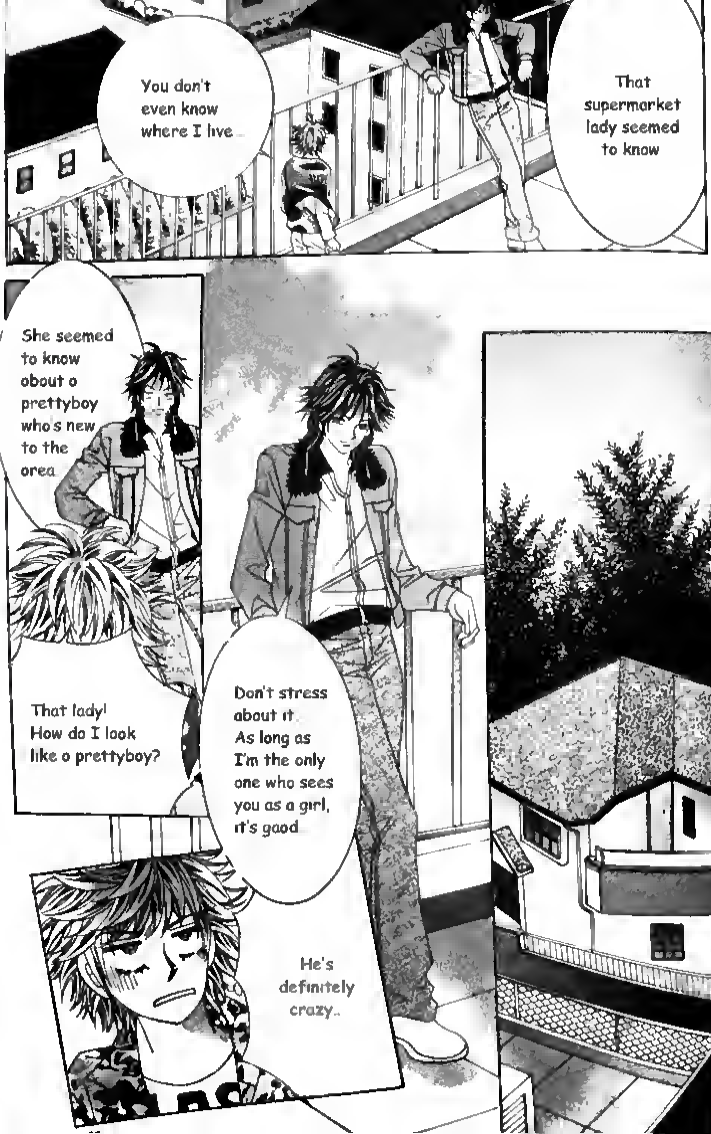
What!
SFX Swish
Take it and only answer my calls
How would I know which calls are yours?
Does he think this is an icebreaker to know which one to pick?
The caller ID is Husband.
What?

If you don't take the cellphone I'm going to follow you home even if you don't wont me to Is that what you want?
Of course not! Jerk!
I only need to take this right?
Yeah
He's stupid All I have to do is not take the calls
By the way! If you don't answer my calls, I'm going to go to your house everyday
Eh!
Is that what you want?



You don't even know where I live..
That supermarket lady seemed to know
She seemed to know about a prettyboy who's new to the area..
That lady! How do I look like a prettyboy?
Don't stress about it. As long as I'm the only one who sees you as a girl, it's good.
